

WITH ONE VOICE

STARRING YOU

“ *The Soul contains the love,  
The heart nurtures the passion,  
The voice expresses who we are,  
Side by Side let the people sing.  
We’ll fear no foe as we sing on  
with hope in our hearts.* ”

**Joffa Corfe**

Collingwood cheer squad member

**C**reativity Australia is thrilled to present the *With One Voice* program at Collingwood Football Club. We invite you to sing together - side by side - in the brand new Magpies Choir.

Eddie McGuire’s dream is for the whole ground to sing together at AFL Games and to bring audience singing into Australian sports events.

The choir is for all Collingwood staff and supporters to get together and create a happier, healthier, more

connected Collingwood Football Club community.

*With One Voice* is for everyone who wants to gain greater self esteem, networking & leadership skills, capacity for creative and innovative thinking and general wellbeing - even if they have never sung before! The choir will rehearse over 12 months and present quarterly performances for hospitals, charities, special events and AFL Games.
