

ANZ Sings - With One Voice

Calling all budding singers you're invited to test your vocal skills, connect with your colleagues, celebrate diversity and have fun as part of ANZ's new singing group, 'ANZ Sings with One Voice'.

Simply come along to the weekly Tuesday lunchtime practice sessions, which will kick off on 22 March in the Charles Goode Auditorium at level 1 Core A 833 Collins St (12.45pm to 1.45pm).

The group will rehearse, under the expert guidance of conductor/coach Shaun Islip from Creativity Australia and will perform at ANZ events throughout the year.

Open to all staff, regardless of previous singing experience, there are no limits on numbers, and no formal commitment or payment is required.

Please register your interest by emailing anzsings@anz.com or simply come along.

The group is sponsored by ANZ Management Board members Joyce Phillips and David Cartwright.

We hope to see you there.
