or (03) 9682 9686

Creativity Australia proudly presents With One Voice Choir

With One Voice is for everyone who wants to build their self esteem & self awareness, communication & leadership skills, capacity for creativity and innovation, and general wellbeing - even if they have never sung before!

With One Voice is an exciting opportunity to sing with other people and support your community. Choirs will perform for hospitals, aged care homes, charities and other special events every three months.
