Creativity Australia inspires people to find their voice by delivering creative programs that result in positive social and economic outcomes.

Creativity Australia's **With One Voice** program deliberately brings together migrants, the unemployed, those with disabilities, depression and disadvantage, and general citizens and workers seeking to unlock their creative potential and make a difference.

The programs build bridges of understanding across all areas of society, providing opportunity for improved wellbeing, hope, joy, networking, mentorship and employment pathways. When many diverse voices come together as **one voice** on a regular basis, the outcomes are transformational. Members have already gained employment through improved self esteem, contacts and skills developed in these programs.

This fundraising dinner is critical to our ability to deliver programs to those who need it most. The entry ticket for the Gala Dinner includes a fully tax-deductible donation.

Your donation and support will help us in our mission to inspire people to find their voice and make a meaningful difference!
