

# DEAKIN SINGS

Would you like to be inspired, unleash your creative potential, meet new people and improve your general wellbeing? Then our *With One Voice* choir program is for you!

Led by professional conductors, our choirs meet weekly and have the opportunity to perform in public a number of times each year. Aside from singing, you are instantly in touch with a strong network of friends, which can be enjoyed at the supper that follows each choir session.

The good news is that you don't need any singing experience! There are no auditions and all are welcome!

Our choir members range from the soprano savvy to those who haven't sung since childhood. Simply come along and you will be warmly welcomed. Soon you will feel right at home around other people who love to sing!

When you decide to be a member, there are a sliding scale of membership fees to meet your individual circumstances. For more information simply come along or call (03) 8679 6088.
