## ***With One Voice* choirs sing for harmony in 2013**

Be inspired, unleash your creative potential and meet new friends this year by joining a *With One Voice* choir!

Founder, leading Australian soprano and award-winning entrepreneur Tania de Jong AM said *With One Voice* welcomes all people seeking harmony, health and happiness.

*“With One Voice* builds bridges of understanding across cultural, generational, religious and socioeconomic boundaries,” Tania said.

*“There are no auditions and no singing experience is needed. It’s all about wellbeing, a sense of belonging and lifting spirits through song. The program changes lives!”*

Simply come along and feel welcome amongst other people who love to sing at your local *With One Voice* choir:

Ashburton  
Burwood  
Footscray

Geelong

St Kilda

All the choirs have professional conductors and meet weekly, followed by supper. The choirs share their songs and stories at public performances several times a year, culminating in a massive concert featuring all choirs.

*“With One Voice* choir members come from all walks of life. They are professionals, young people, migrants, older Australians, people with disabilities, those experiencing disadvantage and more,” Tania said.

*“From CEOs to asylum seekers, With One Voice* choirs can help people find their voice, make friends, build self-esteem and new skills, find jobs, learn English and much more.

*“When many diverse voices come together as one on a regular basis, the outcomes are transformational.”*

Once you decide to join a choir, participation is by donation, and there is a sliding scale of fees to meet individual circumstances. Membership is free for healthcare or disability card holders.

*With One Voice* commences for 2013 around the first week of February. For details of your local choir, visit [www.creativityaustralia.org.au](http://www.creativityaustralia.org.au), email [enquiries@cal.org.au](mailto:enquiries@cal.org.au) or phone (03) 8679 6088.
