

# *With One Voice* **BIG CHRISTMAS SING**

Share the joy of song this festive season with two **city sing-alongs**, presented by the *With One Voice* choirs!

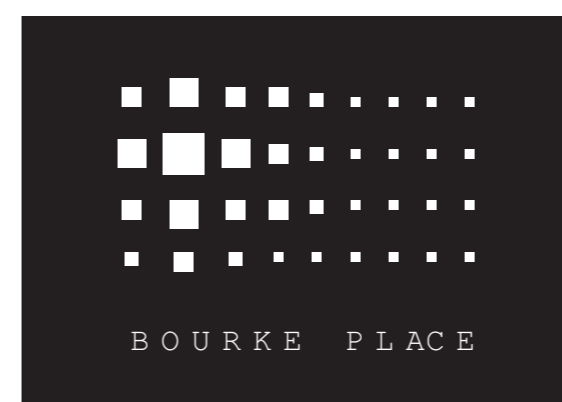

Every week, Creativity Australia's 13 *With One Voice* choirs inspire people from 40 nationalities, aged 9 to 90, to sing side-by-side. Everyone is welcome!

Singing does amazing things for the brain, empowers individuals and connects communities.

Join the fun this festive season!
