

Australia-wide: Community Music Facilitators Expressions of Interest

Calling all Music Makers, Joy Bringers & Community Rockstars!

Do you believe in the power of music to bring people together?

Are you the kind of person who can get a room full of strangers singing along with a Beatles classic, a Motown hit, or a soul-stirring pop ballad?

We're Creativity Australia, and we're on the lookout for passionate, people-loving musicians to lead or support our *25 With One Voice* community choirs across Australia. These aren't your typical choirs - there are no auditions, no sheet music, and delusions of grandeur! Just people from all walks of life coming together for an hour or so of singing, connection, and joy. (And afterwards we're just as passionate about a cup of tea, a bikkie and a chat!)

We need musician-facilitators (for regular weekly work and casual fill-ins) who can:

- Play piano (or guitar/uke) confidently
- Lead a group with warmth, humour, and presence
- Guide singers through well-known songs with a focus on fun, harmony, and inclusion
- Share simple vocal tips that help people grow in confidence
- Create a space where everyone feels welcome and uplifted

Think: piano bar meets group karaoke meets community healing.

If you can light up a room with music and create moments of magic for everyday people, we want to hear from you!

Whether you're a working musician, a music teacher, a performer with a side hustle, or someone with a heart for community - this is a paid role that's all about making a difference. We can provide excellent guidance and mentoring, and connect you with our network of amazing facilitators to help you develop your craft too.

Locations available in cities and regions around Australia. Fill-in spots and more permanent roles available.

Interested? Let's talk.
