

THE CAUSE

Participation in a **With One Voice** choir is by tax-deductible donation. 77% of participants are subsidised.

**TOGETHER, WE CAN
CHANGE THE WORLD...**

**Creativity Australia is building a happier,
healthier, more inclusive nation by bridging
the gap for those experiencing loneliness
and social isolation through the neuro-scientific
benefits of community singing.**

We aim to develop cohesive communities that support one another by empowering diverse people so they can make a positive impact on their community.

The *With One Voice* choir program is recognised as one of Australia's top social innovations. In 2016, Creativity Australia won the Melbourne Award for *Contribution to Community* by a Community Organisation.

Founder and Chair Tania de Jong AM's TED Talk, *How Singing Together Changes The Brain* has sparked global interest and has been viewed over 50,000 times.

WHAT WE DO

- We offer weekly **community choirs** and singing projects that bring singing back into everyday life
- We **welcome all people**, regardless of age, race, religion, disability or disadvantage
- We **research and celebrate** how the neuroscience of singing makes us happier, healthier, smarter and more creative
- We enable diverse participants to grant one another wishes (like resume assistance, language tuition and jobs) through the **Wish List**
- We **empower** people with disabilities or mental illness, job-seekers, migrants, seniors and youth-at-risk

...ONE VOICE AT A TIME
