

Expression of Interest: Part-time Program Mentors

Are you:

- **Passionate about helping people and supporting people experiencing disadvantage in our community?**
- **Do you have experience (as either a volunteer or participant) in a *With One Voice* program?**
- **Interested to help other communities start and run their own *With One Voice* program as a part-time mentor?**
- **Organised, able to follow processes and use online systems?**

Background

The *With One Voice* program is set up in local communities through a social franchise model that empowers local communities to 'own' their own programs from the beginning. The 12-month mentoring program starts with an intensive 4-month process to establish the local partnership model and the launch the program. Following this period we have an on-going, monthly mentoring session where program metrics are reviewed and support provided to target key areas of weakness. At the end of the initial 12-month mentoring program, the local communities continue to have access to Creativity Australia mentors on an as-needs basis.

Over the next two years we will be establishing between 20-30 new choirs that are supported by part-time mentors.

The Role

We are looking for people who have experienced the benefits of the *With One Voice* program and who would like to be trained to mentor other communities to start their program.

Mentoring is conducted by telephone or Skype and thus has incredible flexibility. Likewise, the training will be done remotely.

If you would like to be considered for a part-time mentor role, please send a 1-2 page cover letter to ross@creativityaustralia.org.au outlining (in bullet points)

- your experience with the *With One Voice* program
- the key skills you have that you think will make you an excellent program mentor
- any previous community development or volunteer programs you have been involved in
- Computer, CRM and any other experience you have with online systems.
- Approximate number of hours, and times of the day, you are able to work
- A current resume

This position will be paid hourly.

Applications close 5 October.
